WHITE POLYCARBONATE

APPLICATIONS:  
COMMERCIAL AND  
RESIDENTIAL INSTALLATIONS

#### DESCRIPTION

This diffuser family has a contemporary sharp cornered design motif. The 11", 14" and 19" square diffusers are suitable for either ceiling or wall mounts in commercial, residential, or hospitality applications. The full size applications are for ceiling mount only on Concept-6 style housings.

The diffusers can be used with compact fluorescent, linear tube and U- lamps, depending on the size and shape specified. The diffusers are available in pressure formed matte acrylic, with polycarbonate as an option on some sizes.
