APPLICATIONS:
COMMERCIAL, RESIDENTIAL
AND HOSPITALITY
INSTALLATIONS

DESCRIPTION

This diffuser family utilizes the unobtrusive Puff design in a compact linear shape. The diffusers are suitable for either ceiling or wall mounts in commercial, residential, or hospitality applications.

The diffusers fit industry standard 2-lite strip fixtures. A hole and plug kit is available in which a solid knockout plug can be inserted into the knockout on the end plates of the fixture, and the lens is attached to the fixture via screws provided in the knockout kit .

The diffusers are available in pressure formed matte acrylic/high impact acrylic blend or pressure formed smooth acrylic/high impact acrylic blend.
