FINISH CHOICES:
WHITE MATTE ACRYLIC

APPLICATIONS:
COMMERCIAL, RESIDENTIAL
AND HOSPITALITY
INSTALLATIONS

DESCRIPTION

A revolutionary development in the Puff category, the 8000 Stepped Puff series can be used to produce a highly stylized version of a Puff luminaire. An elegant 3-step design motif adds a distinct design detail to the standard Puff. The 8000 Series product will fit the same chassis designs which certain sizes of our popular 4000 Puff series fit.

The diffusers can be used with compact fluorescent, linear tube and U- lamps, depending on the size and shape specified. The diffusers are available in a pressure formed matte acrylic/high impact acrylic blend.

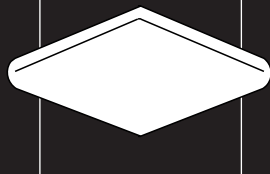

ORDERING INFORMATION

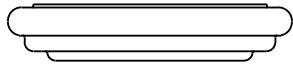

Please call (770) 948-6069, fax (770) 948-1389 or e-mail customer service at custserv@rlrindinc.com for pricing and delivery information.

DISCLAIMER
