

14" MOLDED SCONCE DIFFUSER

14" ADA Compliant Wall Sconce Diffuser

RLR's new 14" Molded Sconce lens allows the lighting designer and manufacturer to produce a cost effective, yet elegantly styled luminare. The ADA compliant lens is available in colors ranging from basic Translucent White to a family of Marble effects.

RLR has developed colors which can emulate effects of Translucent Alabaster or Marble Grains, or a variety of opaque Faux Marble finishes.

Brass or Chrome trim can be applied as an option.

The housing is prepunched for two PL-13 lamps. A secure snap fit for the lens is achieved by utilizing spring clips in conjunction with the housing.

Custom colors can be developed upon request of the OEM. A Sandblast finish is also available, please contact the factory for details.

Pack:

Sconce lenses are packed 32 pcs. per carton.

New 14" Sconce Pan

RLR stocks a white powder coated metal housing for our 14" Molded Sconce Lens. The pan is punched for 2 PL-13 lamps. Each pan requires the use of two of RLR's ENDCAPCLIP spring clips to provide a snap fit assembly for the pan and lens. ENDCAPCLIPs must be ordered as a separate line item.

14" Sconce Pan Part Number:

SCRD14200PAN

Spring Clip Part Number:

ENDCAPCLIP

Pack:

SCRD14200PAN housings are packed per order to match full lens carton quantities. ENDCAPCLIP spring clips are bulk packed.
